Dear Parents and Guardians,

Online Learning Journal - Seesaw

I am writing to inform you that this year we will continue using an online learning journal called Seesaw to record and document part of your child's learning. This tool will enable us to share valuable insights into your child's progress and experiences during the school year.

Please note that only the following classes will be using Seesaw this academic year: Nursery, R-CH, R-AT, R-MH, and 1-NM. Seesaw is a web-based platform that can be easily accessed via a computer or laptop, as well as on any Android or Apple devices, including smartphones and tablets.

Through Seesaw, we will share learning activities and milestones that correspond with the appropriate curriculum your child is following. You will have the opportunity to add your own comments and likes, creating a more interactive experience.

Safeguarding our children is of utmost importance to us. Therefore, all content added to Seesaw will be stored within our secure school account. Only school staff and you, using your unique login details, will have access to your child's learning journal. It is vital that you do not share any photos or videos from your child's journal on social media or other online platforms. Any breaches of this confidentiality will be taken seriously and may lead to access to the service being revoked.

Please be aware that Seesaw is not intended for communication between parents and staff. For messages, we will continue to use ClassDojo. If you wish to speak with your child's teacher, we encourage you to do so during drop-off or collection, or through the school office.

Home Learning Challenges will be communicated via ClassDojo.

Seesaw codes will be sent home by Monday 15 September. Should you have any questions or require further clarification, please do not hesitate to contact your child's teacher.

Thank you for your cooperation and support.

Yours sincerely

E Anderson
