Dear Parents/Carers,

ClassDojo

We are really excited to let you know that this year we will be using ClassDojo in our classrooms. Once set up, it will replace the Seesaw and text messaging communication systems that are currently in place. We will still use Seesaw in Reception and Nursery for learning purposes.

ClassDojo is a fun and simple online tool that helps us share children's achievements and celebrate positive behaviour. Every child has their own Dojo character and can collect points for things like effort, kindness, teamwork and resilience. The points will be linked to our school values, so children can clearly see how they are putting these into practice each day.

ClassDojo also gives us a lovely way to share class updates, photos and messages with you, so you can get a little window into what is happening at school and join in celebrating your child's learning.

Over the next week or so, you will receive an invitation to connect to your child's ClassDojo account. It is free, really easy to set up, and once you are connected you will be able to:

- See when your child earns Dojo points
- Get class news and updates from the teacher

A quick note: ClassDojo has a private messaging option, but teachers may not always be able to check or reply to messages straight away. For important information, absences or anything urgent, please continue to contact school through the main office as usual.

We think ClassDojo will be a fantastic way to strengthen the link between home and school, and we can't wait to get started. If you need any help joining, just let us know — we will be happy to support you.

Thank you, as always, for your support.

Yours sincerely

M Aoun
