Message from the Headteacher

Dear Parents and Carers,

I hope you all had a lovely Easter break spending time with family and friends and hopefully not eating too much chocolate!

The children have settled back into routines brilliantly and it has been fantastic to see them engaging in their learning. In assemblies this week we have been focussing on how we show that we are **Ready** to learn, being **Responsible** for our own behaviour and showing **Respect** for others. At lunchtimes we are continuing to encourage our Year 1 and Year 2 children to be more independent by setting and clearing their own table. It would really support us if you could allow your child to help with mealtimes at home by setting the table and helping to clear up afterwards!

In school this week we have been working hard to be more independent writers. Some of the writing that they are producing is literally blowing us away! Please support your child at home by practicing lists of key words (also called common exception words) that have been sent home by class teachers. Knowing how to write these words confidently will really help to develop writing further.

Congratulations to our Super Citizens from the Spring Term. Thank you to all the family members who came to celebrate them in our special assembly on Thursday. We will be arranging a special Forest School session for these children in order to celebrate.

Mr Howse's class enjoyed their attendance reward this week – a visit to the local park! Miss McCue's class visited Boston Park Farm and were lucky enough to meet some very new arrivals! Their behaviour was exemplary and they had a brilliant time. Thank you to the adults that were able to support on both of these visits.

Enjoy your weekend,

Mrs Anderson
