## Message from the Headteacher

Dear Parents and Carers,

This week has truly been a week of celebrations. Our Year 1 children have been demonstrating how confident they have become at reading by taking part in the phonics screening checks. They have literally blown our socks off and the Year 1 teachers could not be prouder. A huge thank you to everyone who has supported their child with reading and phonics at home – it really does make a difference!

We celebrated our final Super Citizens of the year on Thursday with a special assembly. Well done to everyone who has been nominated and to you as parents for coming along to celebrate with us.

We have also been planning events to get children ready for the next phase of their education, in preparation for our move up days on the **7<sup>th</sup>, 8<sup>th</sup> and 9<sup>th</sup> July**. On these days children will spend time in their new classes, with the staff and children that they will be with in September. There will be opportunities to explore their new surroundings as well as activities that allow the staff to get to know them better. We will write to you shortly before these days to confirm who your child's class teacher will be along with drop off and collection arrangements.

Parents of pupils in Year 2 will have received an information pack from Scawsby Juniors with details of their transition activities and class organisation for next year. I hope you are able to attend the events planned to find out more.

In assembly we have launched:

See our poster for more details! Have a lovely weekend,

Mrs Anderson
